Minutes of the last AGM were approved (proposer Margaret Beaton; seconder Robert Clubb).

Mrs. Helen Wilson (Chair) - Coronavirus took over and we didn't conduct many meetings. Support was given to Jeremy Gaywood and the Resilience Team. The Christmas Dinner was a great success. Moving forward we may either be in the Village Hall or the Reading Room for meetings.

Helen Wilson notified her intention to resign from the Community Council.

Treasurer's Report Would Like to obtain funding to help areas of the Community including the Resilience Team. There are numbers of Grants that are available. Money cannot be given to the Community Council directly as needs to go directly to organisations. There are many organisations in the village and same have the same goals and could work together?
