Co-Option Nomination: Christine has been unanimously voted on. We've only had current Associate Member, Hugh Aitchison, apply for the next Co-Option position. As long as there are no objections, we will bring him onboard on the 19th of October meeting.

- **Secretary** – Scott Crawford – proposed by Barbara Ross; seconded by Christine Stewart.

Any Other Competent Business: It was brought up that we may require a "Communications" person/s to look into e-mails and share content and help out the Secretary where needed. Would be good to put more information onto the KCC website and bring together groups such as the Cubs and other groups. Three KKC Councillors to get together to work on strategies. It was suggested that a KCC FB A/C is set up so that posts can be attributed to the "KCC" and not to an individual.
We are also looking towards planting of the Village Green and further areas of the village. It has been brought up that there are planters on the Main Street that are in need of repair/replacement.
Electric Charging points – an e-mail has been received to say that it has been proposed to put two charging points in the layby at the start of Castlehill Loan. They have advised that there are numerous residents of Kippen wanting Charging Points to go in. The question

would be why would residents want them going in if they are meant to be used by visitors to the village? Will the bays be taken up by two residents parking their cars there 24/7.
WSC advised that The Police have eventually came out to discuss the Tippers, accessing the Dawn Homes site via Oakwood, that were speeding and driving through the junction without hesitation – just three months too late.
Can we start putting items on the Kippen Action Group Site.
Stirling Council have decided to use the name "The Meadows" for the Dawn Homes housing estate – it was discussed that a prize be given to the Kippen Primary School for their winning suggestion. There is a missing sign on "Redgate Hill" that is missing that is being looked into.
We need to look moving forward at getting funding for things in the village such as flowers/planters/etc.

The meeting closed at 8.55pm.
The next meeting will be 19/10/2021 at 7.30pm.
